

# Castelo de Meiga

Genre: Educational - Muppets

Format: 24 x 30'

Year: 2006

Audience: Children

We are faced with a castle that has all the necessary ingredients to create a cozy, endearing but also... a very mysterious space.

Here live a series of characters: Meiga, the vampire Ramiro, the ghost Sara, the mummy Golfi, the cat Brunildo, the leprechaun Galopín and the monsters Lusco and Fusco.

They make you think, laugh, play and feel ... all encompassed within a framework in which reality is mixed with fantasy.
