

O Ladrón de Reliquias

Title: The burglar of relics

Genre: Comedy - TV Movie.

Year: 2003

Director: José de Cora

Public: All audiences

A band of professional art thieves, a plot of corruption and secret sects are the elements on which this story of humor and intrigue is built.

When discovering the theft of the Apostles' relics in the crypt of the Cathedral of Compostela, the Church decides to investigate it privily.

Liberto, a close collaborator of the Bishop Don Adolfo, is put to the front of the operation and hires the professor Cosme Durán, deeply knowledgeable of the Crypt's history. From there the inquiries begin that will take them to different points of the Way of Saint James and even to Portugal.
