

# Pequeno Hotel

Title: Small Hotel

Genre: Comedy

Format: 52 x 60 ‘

Year: 2001

Public: All audiences

Everything begins when Mrs. Hermitas, a woman of strong character who is the one in charge of the business, decides to celebrate a small party.

In a family hotel located in a small city of provinces, conflicts between owners and employees are a constant and, with the arrival of new guests, there are fun situations.

The tone of comedy predominates throughout the series, since humor constitutes a fundamental element for the resolution of each chapter.
